### **To The Members of CCOLQ**

We created CCOLQ in 2010 to give a voice to those residents who refuse to rely on city-controlled media and are seeking an authentic truthful outlet. We are more committed to those goals today in 2019 than ever before. CCOLQ was also founded on the values of respect, openness, and loyalty to our citizens and our members. Unfortunately these values are not reflected with some of our leaders, some of the time, and that is why we exist.

Robert F. Sylk , Chairman  
Concerned Citizens Of La Quinta

**It has already been nine (9) years that CCOLQ has been on the scene in La Quinta supporting your interests and making the voice of our citizens known. We have now grown to almost 20,000 email members and to continue our efforts to build a greater La Quinta, we need your voice in all we do to help us shape those efforts and present our issues. It's time your Voice is heard. Support change in La Quinta by adding a friend's name to our email list.**
